

**17 FEBRUARY PLANNING COMMITTEE:  
DECISION TIME FOR PERCEVAL HOUSE**

**IF YOU THINK SKYSCRAPERS  
ARE WRONG FOR EALING TOWN CENTRE  
[CLICK HERE TO OBJECT](#)**

**More reasons to object:**

- Historic England critical of harm to Conservation Areas and Walpole Park views
- Would overshadow and seriously reduce daylight in surrounding homes
- No genuinely affordable (i.e. social) housing on a Council-owned site
- Re-development of 39-year-old offices is not sustainable
- Council is landowner, developer and planning authority – **CONFLICT OF INTEREST!**
